Customer Notification

Cross Point Switch Pack and Ship Location Change

Dear Valued Customer:

This notification is for the purpose of informing you of a change to the shipping location change for Mindspeed's large crosspoint switch products.

Purpose

To reduce the number of minor shipping errors with the shipment of these products, Mindspeed is transferring pack and ship location for the products listed below from ISE and Tower-Jazz in Newport Beach to ASE in Malaysia. The shipping trays and labels will remain the same. The vacuum bags used at both Tower-Jazz and ASE Malaysia are ESD dissipative bags.

Change Schedule

Customers can begin receiving product from the new pack and ship location beginning on June 7, 2010.

Method to identify parts

The shipping location is identified on the package label.

Customer Impact

No customer impact is anticipated with this change.

We are confident this change will allow Mindspeed Technologies to maintain its high standards for quality and reliability. We will be managing this change very closely to ensure minimum disruption to our customers. If, at any time, you have a need for further information, please contact your local Sales Representative.
