Dear Valued Customer:

This notification is for the purpose of informing you of a change to the mold compound material for the parts listed below.

Purpose
Amkor has notified Mindspeed that their supplier has discontinued the Cookson SMT-B1 and SMT-B1RC Mold compounds. Mindspeed will now use Nitto HC100XJAA mold compound and Ablebond 2000 die attach material.

Change Schedule
Products will start to be built with the new mold compound beginning on December 1, 2009.

Method to identify parts
The parts built with the new mold compound will have date codes of 0949 and greater.

Customer Impact
No customer impact is anticipated with this change. Mindspeed has qualified multiple packages (17mm, 19mm, 27mm and 35mm BGA) dating back to 2001 using the Nitto mold compound and Ablebond die attach. Amkor is in very high volume production using this material set.

We are confident this change will allow Mindspeed Technologies to maintain its high standards for quality and reliability. We will be managing this change very closely to ensure minimum disruption to our customers. If, at any time, you have a need for further information, please contact your local Sales Representative.
